

Australian Auditing Standards – imminent changes

2006

On 1 May the Auditing and Assurance Standards Board (AUASB) issued the revised Australian Auditing Standards which will be legally enforceable under the *Corporations Act 2001*.

The new Auditing Standards are part of the *CLERP 9* package and are aimed at enhancing the credibility of auditing and financial reporting. The new Australian Auditing Standards will apply to audits of financial reports that are conducted for reporting periods commencing on or after 1 July 2006. The Standards will be of particular interest to CFOs, Company Directors, General Counsel and Company Secretaries.

seminar
